

Coordination of Benefits:

- Determines which payer pays first when a patient is covered by more than one health plan.
- Helps reduce denials.
- Ensures claims are paid correctly.

Are you a Medicare Beneficiary?

- If you are covered by Medicare and have more than one health plan, please contact Medicare's Coordination of Benefit department at (855) 798-2627.

Are you a Medicaid Beneficiary?

- If you are covered by Medicaid and have more than one health plan, please contact the KMAP clearinghouse at 1-800-766-9012.

Are you covered by more than one Blue Cross Blue Shield Policy?

- Contact the customer service phone number located on the back of your insurance card and ask to speak to the Coordination of Benefit's department.
